Filing of Petitions

Petitions filed through *Open a BK Case* from the *Bankruptcy* Menu

- On the screen which collects statistical information, two options have been added for the *Type of Debtor* - 1) Single Asset Real Estate and 2) Health Care Business.
- The screen which collects information on deficient items has been modified to add the *Means Test Form* - Form 22 and the Credit Counseling Certification.
- A new screen collects information for the debtor's statement of presumed abuse.
- For Chapter 7, individual consumer cases:
 - The certification of credit counseling or the certification of exigent circumstances may be included in the PDF with the petition.
 - If not filed with the petition, or as an amendment, use event *Certificate of Credit Counseling, Extend Time for Credit Counseling, or Regarding Credit Counseling*.
- Form B22 - Statement of Current Monthly Income
 - If filed with petition, include the form in the PDF with the petition.
 - If not filed with the petition, or as an amendment, use event *Statement of Current Monthly Income*.

Petitions filed through *Case Upload* from the *Bankruptcy* Menu

- Petitions filed through Case Upload must comply with the *Case Upload Field Specifications*. The specifications can be accessed from the court's web site.
- The Certification of Credit Counseling is required to file the petition.
 - If your case management software does not include the certification in the PDF with the petition, upload the certificate in the designated file upload box on the Case Open Screen.
 - If your case management software includes the certification in the PDF with the petition, do not upload a separate certificate in the designated file upload box on the Case Open Screen.
